

Due to the meeting closures as a result of the COVID-19 virus District 9 has compiled a list of helpful items for use during these unprecedented times. Please share these with members of the fellowship at your leisure:

GSO Info - A letter from the General Service Office concerning COVID-19 with a list of resources: https://www.aa.org/assets/en_US/en_updatesoncoronavirus.pdf

Online/Telephone meetings – These lists grow by the day, by the hour for some, so check back frequently.

National Site - Online Meetings: <https://aa-intergroup.org/directory.php>

Online Speakers - There are a number of websites and streaming services that offer A.A. speakers available to listen to online or to download to listen to later. Use your favorite search engine to look for 'A.A. speakers'.

Break out those Speaker CD's - Some of you may have purchased Speaker CD's at conventions or at 12 & 12 gift stores. Listen to them again and share them with others.

NOTE: *Younger people can reach out to older AA's who will explain what a 'CD' is.*

Call your Sponsor - How many times have you heard that. But if you need a meeting call your sponsor or another A.A. friend. You may even be able to participate in a conference call meeting with a few A.A. friends.

If you are new to A.A. - Call one of the Intergroup offices, Baltimore or West Central, to have someone contact you. These numbers also serve as 12-Step call numbers.
